Incubator

IN110

The incubator I is at home everywhere in the world of research, medicine, pharmaceutics and food analytics, as well as food chemistry.

With the help of our model selection, with dimensioned model sketches and extensive technical data for download, you can find the right incubator for your needs. The flexibility and technical features of our appliances meet all possible needs. Put us to the test!
From 32 models, expandable with convenient, approved and tested accessories, you will easily find the incubator ideally suited to your needs. According to your individual application the two model variants SingleDISPLAY cover all requirements of thermal safety, precision and quality assurance.
